Our 60th Birthday celebrations are just around the corner

It is a most exciting time in our school community this year as we celebrate 60 proud years of public education at Miranda North Public School. See the information flyer in this newsletter for details of our month of celebration. During Education Week, the school will hold a special open day on 2 August. All parents and carers are welcome to attend. On Sunday 27 August, the P and C are holding the Miranda North 60th Birthday Fair. It is a whole community celebration and guarantees to be a fun day for young and old! For more information, have a look at the following flyer.

Parents as Partners workshops coming up soon—save the dates!

On Friday, our next Parents as Partners workshop on coding will be held in the library from 9.30am, followed by a visit to the coding classroom to see coding in action. Sheree from ScopeIT will lead the session and show parents and carers the overview of what students will be learning in coding throughout the program.

The following week, on Thursday 1 June, our Police Youth Liaison Officer, Deb Wilson, will be the guest speaker and will run a workshop for parents about cybersafety and provide some useful strategies for keeping children safe in the online environment. There'll be a chance to ask questions at each of the sessions. Light refreshments are available at each session which will be held in the library. We hope to see you there!

School Banking

Our school banking volunteer, Mrs Dindar is no longer able to continue in the role and is wishing to hand over the task of school banking co-ordinator. To allow the school banking service to continue, volunteers are called for to take on this role. If you are able to assist with the school banking, please contact the school office. Mrs Dindar is able to show the volunteers what the steps involved in school banking are, undertake training with the volunteers and explain the requirements. The commitment for volunteering is a weekly commitment (Wednesday) and the process takes a few hours to complete. Ideally, it would be a manageable task for 2 volunteers.

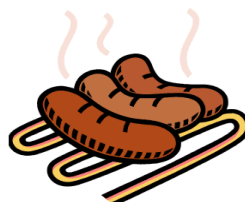

Mother's Day stall success!

What a fabulous Mother's Day stall with a huge variety of lovely gifts for Mums, Grandmas and Carers. Thank you to the large number of helpers who sold the gifts on the day and the P and C for their support of the school. We hope the gifts were enjoyed on Mother's Day!

Our Athletics Carnival

Save the date - **Thursday 15 June** is our school athletics carnival which is held at school in the school grounds. Parents and carers are welcome to attend on the day and our wonderful P and C will be holding a BBQ sausage sizzle for lunch. More details about the carnival and BBQ will come home shortly.

Tamara represents the School at "Yarn Up"

Congratulations to Tamara in 5/6D for representing the school at "Yarn Up" an indigenous public speaking program which culminates in the presentation of a speech at NSW Parliament House a little later in the year. We are thrilled that Tamara will be showcasing her talents as a speaker and leader with other students from across Sydney. We are proud of you, Tamara!

A look at our teachers at work around our school this week.

Over the last month after school, teachers have been working and learning together, analysing and assessing student work samples and student learning goals in preparation for reporting student progress later in the term. Teachers have also been identifying the goals and focus for students in term 3. They are looking forward to speaking with parents and carers about each student's learning during interview times later in the term.
