

Miranda North Public School Newsletter

Walk Safely to School day

It was terrific to see so many students and their parents/carers enjoying the beautiful autumn weather and walking safely to school last Friday. Students appreciated revisiting safe pedestrian messages and reminders about moving safely around our school and neighbourhood. Thank you to everyone for joining in the event.

Parents as Partners session

Our stage three and year one students show their learning in reading comprehension

We were thrilled to have 1D and 5/6S show their learning to our parents and carers at the recent Parents as Partners session on Friday. Parents heard about the super six strategies that students learn to use throughout the years in primary school and saw students using these strategies in their own classrooms. Thanks for joining us for a morning of learning. We loved sharing with you!

Friday Freshen up in the Garden

Do you fancy spending time in the garden or keeping water up to the plants? If you do, we'd love your help on a Friday morning around drop off time. Our GA, Chris, is here on a Friday and can show you which gardens need tending or watering and you are welcome to help out- even for just half an hour. It's a great way to keep fit, chat with friends and keep our school gardens looking great. Our vegetable garden is close to completion and it will certainly enjoy some TLC once it is planted out. Simply come along and sign in at the office and Chris will show you the garden identified for tidying. If you haven't done so beforehand, parent helpers need to sign a Working with Children Declaration at the office prior to assisting at school. We value your support and look forward to freshening up and watering our gardens.

Mother's Day Stall success

Thank you to our P and C and parent volunteers who assisted with the Mother's Day Stall last Friday. There were many gorgeous treats for mums and carers and students really enjoyed choosing a special gift. We appreciate the P and C's wonderful efforts in preparing for the stall.

Our students share their learning with visiting schools

On Friday, of week 2, we were lucky to have visiting teachers come to learn more about the learning our students are undertaking in 4C- collaboration, creativity, communication and critical reflection. Kindergarten, year one and years 5 and 6 hosted the teachers in their classrooms throughout the morning and impressed the visitors with their ability to collaborate, create and communicate with each other. Check out the website for some more photos of the

A message from our lovely school banking ladies regarding Banking Awards:

Please note that the scratch pads which have been very popular are unfortunately no longer available to claim.

On Monday 14th May, 40 of our students represented our school at the Cronulla Zone Cross Country Carnival. Each participant ran extremely hard, we are very proud of their efforts. A special mention to Noah R and Luke P who came 4th in their races, making it into the Regional Cross Country team.

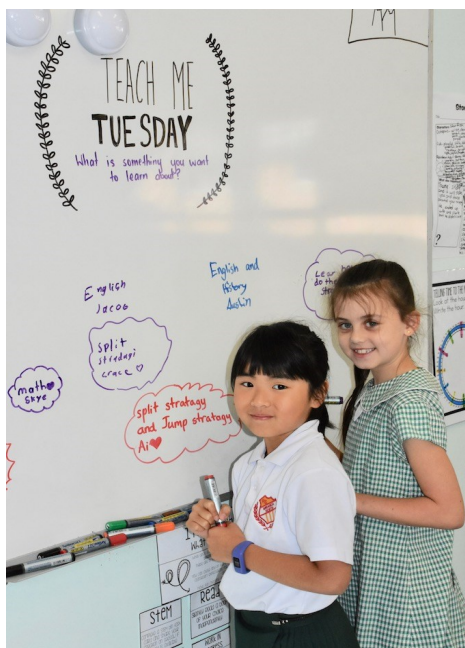

Well done!

Zone Cross Country

Upcoming events

- 29/5 ICAS Science
- 14/6 ICAS Writing
- 18/6 Athletics carnival
- 27/6 SSSMF Snr Choir half day rehearsal
- 6/7 PSSA Finals

Miranda North Public School App

Communicating between home and school...Do you have our school app?

We communicate with our school community in as many ways as possible and email our fortnightly newsletters to everyone we can. We also post the newsletter on our school website: <http://www.mirandanth-p.schools.nsw.edu.au>

Another method of communication is via our MNPS APP. This can be downloaded to your smart phone by searching for Miranda North Public School in your App Store. Throughout the year, we also send notifications to your phone about events and information as it arises to keep you informed.

It is free to install and all you need to do is enter:

Username: community and Password: mirandanthps

The APP has the newsletter uploaded to it and notes as well.

Keep an eye out on the "gallery" section of our school website. It has photos of learning, events and celebrations that occur in classrooms and the playground.
