

Miranda North Public School Newsletter

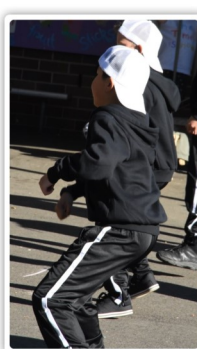

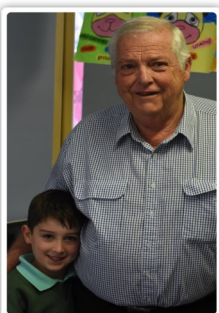

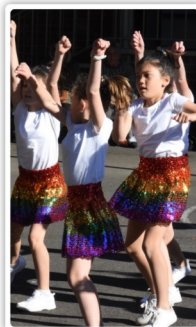

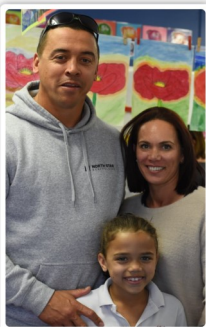

Education Week and Book Fair

Every student, every voice was heard on Open Day at Miranda North this year! We loved the opportunity to share our fabulous school with you last week. Our open classrooms were a buzz of excitement as students shared their learning with parents, carers and grandparents. We are so thrilled you could join us! Thank you also to families who made the very generous donation of a book for our school library. So proud of our students and so supported by community!

Education Week—Donation Book Fair in Library

Congratulations to Alecia on your Deadly Kids Award

Congratulations to Alecia on her achievement of a 2019 Deadly Kids Award. The term 'deadly' in Aboriginal English, means: doing well, achieving and/or talented. A proud Wiradjuri girl, Alecia's family were with her to celebrate as she was presented with her award at the University of Technology, Sydney.

Enrolment for 2020

Our kindergarten transition program and orientation days will be held in early term 4. If you are yet to enrol your child for 2020, please pop into the office to pick up an enrolment form.

Feedback for improvement

Each year we garner feedback from our community about our programs and practices to help inform the planning for 2020. Keep an eye out for a survey link which will come via the school app and in the newsletter. We appreciate your feedback.

Sutherland Shire School Music Festival and Kurrunulla Dance Competition

We are looking forward to the performances which are upcoming for Music Festival and Kurrunulla performance. Please make sure that tickets have been purchased for the upcoming events if you are planning on attending as audience as they always sell out!

The Nationally Consistent Collection of Data on School Students with Disability (NCCD)

As is the school's usual practice, the NCCD is collated in term 3 each year. Information is available at the following link: <https://www.nccd.edu.au/> If you would like further information about NCCD, please make a time to see Mrs Butterfield or Ms Orlovich.

What is the NCCD?

Under the *Disability Discrimination Act 1992* (DDA) and the *Disability Standards for Education 2005* (the Standards), Australian students with disability must be able to access and participate in education on the same basis as their peers. To ensure this, students with disability may receive adjustments to access education, based on the professional judgement of teachers, in consultation with the student and/or their parents, guardians or carers.

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) gives Australian schools, parents, guardians and carers, education authorities and the community information about the number of students with disability in schools and the adjustments they receive. The Australian Education Regulation 2013 requires all schools to report the data collected for the NCCD to the Australian Government on an annual basis.

St George Dance Eisteddfod and Dance extravaganza

Congratulations to our Year 2 girls and year 5/6 girls dance groups who performed with flair and enthusiasm last week at the St George Dance Eisteddfod. We were super proud of the dancers and the icing on the cake was a third place award for the year 2 girls! What terrific performances! It was a magnificent night at the Sutherland Entertainment Centre as our Year One dance groups performed for their first time on the big stage! We were so proud of their courage and confidence. Thanks for joining us on the night, year 1 parents and carers!

The PSSA season draws to a close

PSSA Finals

Last week concluded our football and netball PSSA season. We are extremely proud of each and every one of our teams across both sports. Our students represented our school in an excellent manner, consistently displaying teamwork and sportsmanship. Congratulations to our Junior A football boys and Senior A netball girls for making it to the Grand Final. Our football boys came up against strong winds, but played extremely hard! The boys finished the game as runners up, well done! Mr Meades was extremely proud of your effort and attitude throughout the game. Our netball girls played a fast-paced and intense final. They were focused and determined and came away with a victory! Fantastic work girls!

We kindly ask that all football players wash and return their soccer jerseys as soon as possible to Mrs Sherwen.

Upcoming events

Kindergarten transition

If you have a child who is starting school in 2020, pop into the office to pick up an enrolment package. We are currently accepting enrolments and invite parents and carers to complete the enrolment process. A birth certificate/passport, proof of address and immunisation certificate is required to complete the enrolment. We are looking forward to welcoming students into kindergarten in 2020. Please see dates for our transition program beginning in October. If you know of neighbours/friends who reside in our catchment area, please encourage them to start the enrolment process by collecting an enrolment form or downloading one from: <https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents/enrolment-application>
