

Miranda North Public School Newsletter

Term 1 Week 10

Principal's Message

At Miranda North Public School we take the safety of our students very seriously. This year we have been undertaking staff training and engaging with the Department of Education's Road Safety Consultant.

At an upcoming P and C meeting our consultant will update us regarding the program so far with our local council regarding safety on the Boulevard possible next steps to ensure our students have every opportunity to be safe. More information regarding times and dates will be published next term.

In the meantime your guide to driving and parking safely near schools The beginning and end of the school day are busy times for pedestrians and vehicles outside the school. That's why you need to take extra care in 40km/h school zones.

- Park safely and legally, even if it means walking further to the school gate. Parking signs are planned with children's safety in mind.
- Slow down to 40km/h in the school zone and stay aware of crossings.
- Always park and turn legally around the school.
- Never double park as it puts children at risk.
- Manoeuvres such as U-turns and three-point turns are dangerous.
- Never park in a bus zone or in the school bus bay.
- Make sure your children use the Safety Door (rear footpath side door) to get in and out of the car.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Model safe and considerate behaviour for your child – they will learn from you. Remember to always give way to pedestrians particularly when entering and leaving driveways. Don't park across the school driveway or the entrance to the school car park. It's always a good idea to use the drop off and pick up area suggested by your school. This will help keep all children as safe as possible during the busiest times of the school day.
